Week 18

YOUNG
ENTREPRENEURS
Academy

Thank you for supporting the
Sandy Area Chamber Young Entrepreneurs Academy!

Recap of the Investor Panel "Sharktank" Event!

What phenomenal presentations!

The "Sharktank" event Wednesday evening was amazing. Each of the 15 presentations were executed nearly flawlessly! The student's preparation shone as they presented with confidence and pizzazz. Even the responses to the investor panel's questions were professional, concise and witty.

You students should be proud. We sure are!

Thank you to all of the sponsors, "sharks", mentors, family and friends who helped with this event. Especially the Loveland Living Planet Aquarium for hosting the event in front of the shark tank!

We would like to congratulate each student business on the funding they received to launch. (\$12,500 total)

Congratulations to Cameron with CampLite and Ben and Cannon with Board Armor USA for winning the Free VIP Prototyping award with Salt Lake Community College.

Great job Peter and Ethan with We Change Filters for winning the \$500 Shopping Spree to Sam's Club!

Peyton with Pull and Fit Trashbags was awarded the \$1,000 scholarship and guaranteed admission to the University of Utah's new Lasonde Studios!

Lastly, McKinley and Laura with their company Socquet won the top business to move on to semi-finals in Phoenix, May 14-15, 2015.

Congratulations to all the Sandy Chamber YEA students, you all presented very professionally and creatively. You should be proud of your work! We are excited to now get your businesses launched in the next four weeks!

Pictures of the event are below, please email KimberlyWatkins@sandychamber.com if you would like copies or other photos.

Investor Panel "Sharktank" Event

Significant Dates
